#### **RFS Invoice Guidelines**

Note: Attachment 1 of this document provides specific mailing and email addresses for invoice submission depending on the RFS entity with which you are doing business. Please ensure that your invoice is submitted correctly to prevent processing delays.

To enable smooth internal processing and avoid rejection of invoices, suppliers are advised to follow the invoice requirements below. Paper invoice will be rejected (unless its mandatory per local regulation)

#### **INVOICE REQUIREMENTS**

The following information is **required** on each invoice submitted for payment:

- Supplier's legal name and remittance address
- Correct RFS legal entity and address in the "Bill To" (See Attachment 1)
- Unique Invoice number and Invoice date
  - o Invoices should be dated on the date of shipment or completion of service
- Invoices line items must match to PO line items, in price and unit of measure
- A valid RFS Purchase Order (PO) number
- Purchase Order (PO) Line Item Number for items billed must be included on the actual invoice
  - Example: If your purchase order has 5 lines of which you invoice RFS for lines 2 and 3 only, your invoice must reference PO line number 2 and number 3
- Detailed description of goods purchased (including quantity, unit price, and unit of measure) and / or services rendered
- The value of the invoice line item (including previous invoices against the line item) must not exceed the value of the purchase order line item. Do not invoice for items that do not match the price or the description / item on the purchase order
- Invoices must be from the supplier named on the purchase order; third party billing cannot be processed.

The following information must be included on the invoice, if applicable.

- Applicable taxes, based on ship-to location
- VAT number of supplier (ABN for Australian Vendors)
- RFS VAT number (only in case of intra-community supply or reverse charge) as provided in Attachment 1 under "Tax ID or VAT ID Number"
  - a. Delivery of goods from an EU country to an RFS entity in another EU country
  - b. Delivery of services from any European supplier to an EU RFS entity
- VAT rate + taxable amount
- Total VAT amount
- Reference to VAT exemption or reverse charge mechanism (only if applicable)
- CNPJ number of supplier (Brazil only)
- CNPJ number of RFS entity (Brazil only)

#### **RFS** invoice Guidelines

Document Number: GL200702, Version 1.0 Issue Date: 07/29/2020, Page 4 of 5

- Location of service and/or destination of product
- Shipping, handling and freight (if incurred outside RFS standard shipping terms)
- Consultants/contractors/service invoices must include:
  - Proof-of-service (e.g., timesheet with contractor's RFS ID number, if applicable) signed by authorized RFS personnel
  - o Project name, if applicable, and RFS project manager's name
  - Itemization of reimbursable expenses listed separately from project/labor fees and including third-party receipts to support expense
  - Any other supporting documents as requested

**Do not** submit an invoice until after services have been rendered.

Do not submit invoices for Credit Card purchases

RFS does not pay late fees or finance charges, unless stated on original contract or PO.

If an invoice contains Current Charges and Past Due Charges, only the Current Charges are paid

Variations from the purchase order prices must be resolved with the RFS requestor prior to invoicing.

The value of the invoice line item (including previous invoices against the line item) must not exceed the value of the purchase order line item. Do not invoice for items that do not match the price or the description / item on the purchase order

#### **RFS Invoice Guidelines**

# ACCEPTABLE INVOICE SUBMISSION METHOD

#### 1. Portable Data Format (PDF) Invoices (mandatory for countries where PDF is allowed)

PDF invoices sent via e-mail are allowed for all countries except **those specifically excluded as listed** in **Attachment 1**.

- Only PDF format is accepted for invoices submitted in digital form.
- All PDF invoices should be sent to the email address listed in Attachment 1 for the RFS entity with which you are doing business.
- If a PDF invoice is sent, <u>do not</u> send a paper copy (unless its mandatory per local regulation)
- Each invoice, including any attachments, should be scanned and sent as one PDF file.
- One email can contain multiple PDF files, but the total email size cannot exceed 10MB.

For countries where PDF invoices **are not allowed** (e.g. local China suppliers), please follow the paper invoice process below.

#### 2. Paper Invoices

Supplier not submitting via the PDF invoice process must send their paper invoices to the **Legally Mandatory "Bill to" Address** of the RFS entity they are doing business with as outlined in <u>Attachment 1</u> of this document.
