

GLOBAL QUALITY AND ENVIRONMENTAL POLICY

April 3rd, 2024

Radio Frequency Systems (RFS) is a worldwide leading provider of innovative wireless and broadcast infrastructure products and solutions.

At RFS, we put the customer at the heart of every process within our operations. We provide high quality, reliable and environmentally friendly products; we constantly strive for excellence in meeting our commitments and customers' expectations.

We are strongly committed to:

- › Measuring Quality and Environmental performance and driving continual improvement in our processes and those of our supply partners.
- › Facing and addressing issues in a timely manner by looking for best-in-class practices.
- › Leveraging our global organization strengths by delivering reliable service and customer support in all regions of the world.
- › Anticipating customer needs by offering innovative products and services.
- › Conducting business with high standards of integrity, adherence to compliance obligations and with regard to corporate social responsibility.
- › Protecting the environment by minimising pollution and reducing the environmental impacts of the Company's activities, products, and services.
- › Mitigating climate change by reducing CO2e emissions.

The Management team is committed to providing a workplace that fosters a culture of innovation and continual improvement, where quality and environmental protection are the results of each employee's daily engagement for the benefit of our customers and the environment in which we are living.

This policy will be regularly reviewed, updated as necessary, communicated, and applied to all employees and persons working for or on behalf of RFS, and made available to the interested parties.

GLOBALE QUALITÄTS- UND UMWELTPOLITIK

GLOBAL QUALITY AND ENVIRONMENTAL POLICY

3. April 2024

Radio Frequency Systems (RFS) ist ein globaler Entwickler und Hersteller von innovativen Lösungen im Bereich Hochfrequenzkabel und Antennensystemen für Mobil- und Rundfunk.

Radio Frequency Systems (RFS) is a worldwide leading provider of innovative wireless and broadcast infrastructure products and solutions.

Bei RFS stellen wir den Kunden in den Mittelpunkt eines jeden Prozesses. Wir bieten qualitativ hochwertige, zuverlässige und umweltfreundliche Produkte; wir streben stets nach Perfektion, bei der Erfüllung unserer Verpflichtungen und der Erwartungen unserer Kunden.

At RFS, we put the customer at the heart of every process within our operations. We provide high quality, reliable and environmentally friendly products; we constantly strive for excellence in meeting our commitments and customers' expectations.

Wir verpflichten uns:

We are strongly committed to:

- › **unsere Qualitäts- und Umweltleistung zu bewerten und die eigenen Prozesse und die Prozesse unserer Lieferanten kontinuierlich zu verbessern.**

Measuring performance and driving continuous improvement in our processes and those of our supply partners.

- › **frühzeitig Probleme zu erkennen und mit den bestmöglichen Methoden zu beseitigen.**

Facing and addressing issues in a timely manner by looking for best-in-class practices.

- › **die Stärke unserer globalen Organisation zu nutzen, um eine zuverlässige Unterstützung unserer Kunden in allen Regionen der Welt sicher zu stellen.**

Leveraging our global organization strengths by delivering reliable service and customer support in all regions of the world.

- › **zukünftige Kundenbedürfnisse durch das Angebot innovativer Produkte und Dienstleistungen zu erfüllen.**

Anticipating customer needs by offering innovative products and services.

- › **bei all unseren Geschäftstätigkeiten die höchsten Standards anzulegen, was Integrität, die Beachtung rechtlicher Vorschriften und die soziale Verpflichtung des Unternehmens betrifft.**

Conducting business with high standards of integrity, adherence to compliance obligations and with regard to corporate social responsibility.

- › **die Umwelt zu schützen, indem wir potentiell kritische Stoffe minimieren und die Umwelteinflüsse durch Produktion, Produkte und Dienstleistungen reduzieren.**

Protecting the environment by minimising pollution and reducing the environmental impacts of the Company's activities, products, and services.

Das RFS-Management ist entschlossen, einen Arbeitsplatz zu schaffen, der eine Kultur von Innovation und kontinuierlicher Verbesserung fördert. Für jeden einzelnen Mitarbeiter sind Produktqualität und Umweltschutz das Ergebnis des täglichen Engagements, zum Wohle unserer Kunden und der Umwelt, in der wir leben.

The Management team is committed to providing a workplace that fosters a culture of innovation and continual improvement, where quality and environmental protection are the results of each employee's daily engagement for the benefit of our customers and the environment in which we are living.

Diese Selbstverpflichtung zur globalen Qualitäts- und Umweltpolitik wird regelmäßig überprüft, falls notwendig ergänzt, und an alle Mitarbeiter und Dienstleister kommuniziert. Sie wird allen interessierten Parteien zur Verfügung gestellt.

This policy will be regularly reviewed, updated as necessary, communicated, and applied to all employees and persons working for or on behalf of RFS, and made available to the interested parties.
