RSB Clip with clamp lining for FLEXWELL® Elliptical Waveguide E150

The RSB clip is designed for installation of FLEXWELL elliptical waveguide types E105 to E380 and overmoded waveguide type EO38. The clip is a universal clamp device which can be used in many mounting configurations.

The clip is manufactured from stainless steel and is resistant against most environmental conditions.

The set consists of a stainless steel clamp including a clamp lining made of rubber.

FEATURES / BENEFITS

Elliptical Waveguide installation

- The RSB clip provides a simple and fast installation of small and medium size elliptical waveguides
- It includes a rubber clamp lining

RSB-114 with Clamp lining RSB-130/40
